

To whom it may concern,

Jonah McCarthy have been working at AQUA Swim Schools for 6+ months as a swim instructor. During the time of his work, Jonah have demonstrated high level of commitment, following direction and the right attitude to his responsibilities.

During his time with us, Jonah demonstrated strong leadership skills- led swim lessons and taught kids from age of 3 years old and all the way to adults the lifesaving skill of swimming.

During his employment period with AQUA Jonah has had positive feedback from swimmers, parents, and managers who were very impressed by his integrity and positive attitude.

Our business have 120+ employees and Jonah is a leader by example with his work ethic and dedication to our program. As a facility manager, I only aspire to have many more employees to uphold the same standards as Jonah does.

Please feel free to contact me if you need any further information

Sincerely
