To Whom It May Concern,

I am pleased to write this letter of recommendation for Jonah McCarthy. Jonah was a student of mine for the past year at Florida State College at Jacksonville, Deerwood Campus. He was one of my top students and is a true asset to this campus.

During Jonah's first year, I, like many others in the department, came to know and appreciate him. Very goal oriented as well as a team player, Jonah was always focused and punctual. He was keenly devoted to his work, but being a real people person, he was also enjoyable to be around.

Jonah demonstrated from early on that he understands what college is all about. He is well organized. In addition to his full load of classes, Jonah has been a member of the Bolles school Sharks swim team for 10 years, maintained an active role in his church's youth group, and participated in a mission trip to Canada. Additionally, Jonah has maintained a 4.0 GPA as a dual-enrolled home school student.

In closing, let me say I have no hesitation in recommending Jonah McCarthy for any academic scholarship. As a former FSCJ, UNF, and JU graduate myself, I feel confident that he will be an asset to any college institution.

Sincerely,

Jerry Shawver
